BACKGROUND

This amendment programs \$486,000 of Mendocino County's Unprogrammed Share Balance for two new projects in FY 2001-02: \$254,000 to rehabilitate the parking lot near the Willits Train station; and \$232,000 to the rehabilitate the Willits Train Station.

The STIP share of funds for each project is based on a percentage of traveler use of the intermodal facility. The new parking facility is located across the street from the depot and will include bicycle racks and a covered bus shelter. Once rehabilitated, the Willits Depot will remain open and staffed 12 months of the year to accommodate all intermodal travel.
